The screenshot displays the RaksoNET Mobile app interface for a hotel room. At the top, the user's name 'Mr&Mrs Schaufenhauer' and the time '13:21' are visible. The app title 'Shopping in the Room' is positioned in the upper right corner. A navigation bar at the bottom features six categories: 'Snacks & Delicacies', 'Souvenirs', 'Clothing' (highlighted in blue), 'Accessories & Jewelry', 'Books', and 'Other'. The main content area is a grid of product cards. The first card shows 'Handcrafted Items' with a price of '\$45'. The second card features 'Divan Turkish Delights' with a price of 'From: \$500'. The third card displays 'Ottoman Perfume' with a '20% discount' and a price of '\$100' (reduced to '\$80'). The fourth card shows 'Divan Delights' with a price of 'From: \$7'. The background is a blue patterned wallpaper. The text 'Gifts&Souvenirs' and 'HotelShop Software' are visible at the bottom of the main content area.
